

Request for Review to the Vice President for Institutional Equity and Diversity

This form is applicable after the Dean of Students Office has provided a student with a notice of findings in a sexual assault, sexual misconduct, relationship violence or stalking case. Within five (5) business days of the issuance of a notice of finding, the student may make a written request for review of the findings and determination to the Vice President for Institutional Equity and Diversity.

The reason(s) for the review must be outlined in the request. The request must also include any new information the student wishes the Vice President for Institutional Equity and Diversity to consider.

The Vice President for Institutional Equity and Diversity may request additional information from any person as needed to make a decision, and the vice president's decision is final. All information must be submitted in person or by email to:

Joanne Woodard

Vice President for Institutional Equity and Diversity
