PROCEDURES and RESPONSIBILITIES

1. Use of Campus Grounds

The facilities and campus grounds of the University are intended to be used first for instructional and research programs and administrative activities of the University and secondarily for programs sponsored and conducted by University academic and administrative departments or organizations affiliated with those departments, including registered student organizations and student groups.

Students and employees may engage in expressive activity on campus grounds during university business hours without the need for prior reservation or registration except as set out in this and other applicable University policies. Expressive activity may not create a vehicular or other safety hazard or constitute disruptive activity, defamation, riotous conduct or obscenity as those terms are defined by federal or state law and may not impede access to other expressive activity, such as blocking the audience’s view or preventing the audience from hearing a speaker. Displaying a sign, gesturing, wearing symbolic clothing or otherwise protesting silently is permissible anywhere unless it is a disruptive activity as defined by federal or state law.

Students, employees and sponsoring organizations that wish to organize parades, marches or rallies in areas that cross thoroughfares or would stop or slow traffic must register with the Office of the Dean of Students at least eight business days in advance of the activity in order to ensure that the proposed route does not substantially interrupt the safe and orderly movement of traffic or create a safety hazard.

University facilities and campus grounds may not be used by individuals or organizations not directly connected with the University except as permitted by this and the University Facilities Use Coordination policies.

Responsible Party: Dean of Students

2. Reservation of Campus Grounds for Expressive Activities

Campus grounds generally are open to students, employees and sponsoring organizations for expressive activity during university business hours. However, these individuals and organizations are encouraged to reserve areas on campus that are designated for expressive activity when the activity is promoted in advance or when the activity may reasonably be anticipated to draw a crowd of 25 or more people. Designated areas may be reserved on a first-come, first-serve basis and are subject to the reservation procedures published by the Dean of Students and set out in this policy. Only the individuals or sponsoring organization that reserves a designated space may use the area for expressive activity during the reserved period. A reservation is required for use of amplified sound
and/or outdoor structure. Sponsoring organizations are required to reserve a designated area for expressive activity by a sponsored guest. Only sponsoring organizations may invite sponsored guests to use campus grounds for expressive activity. A request to reserve space for use by a sponsored guest must be made no fewer than eight business days in advance of the sponsored activity.

In order to allow reasonable access to designated areas, students, employees and sponsoring organizations may reserve these locations a total of fifteen days and no more than five consecutive days. The Dean of Students is responsible for administration of this policy, including:

a. identifying locations and establishing times for use as designated areas and identifying locations and establishing times for use of amplified sound;

b. managing requests for reservation of campus grounds under this policy;

c. relocating expressive activities as allowed under this policy;

d. developing procedures for reserving areas for expressive activity and use of amplified sound and for registering for parades, marches and rallies;

e. creating forms for use in reserving designated areas, using amplified sound, and registering for parades, marches and rallies; and

f. publishing the locations, times, procedures and forms required under this policy at the beginning of each academic year.

The Dean of Students will act on requests to reserve designated areas and to register for a parade, march or rally no later than two business days after a properly submitted request is received in the Dean of Student Office. If a request is denied, the Dean of Students will, where feasible, propose measures to address any defects in the request. When the basis for denial is receipt of an earlier request for the same location and time, the Dean of Students will inform the individual or organization whose request is denied of other dates, times and locations that are available for reservation.

Responsible Party: Dean of Students

3. Use of Amplified Sound in Outdoor Areas

Advance reservation is required before amplified sound may be used on campus grounds. Students, employees, sponsoring organizations and sponsored guests may use amplified sound on campus grounds only at the locations and times published by the Dean of

Responsible Party: Dean of Students

Requests to reserve a designated area, to use amplified sound, or to register a route for a parade, march or rally may not be denied based on the content of the proposed expressive activity. Requests may be denied only for the following reasons:

a. an earlier request to reserve the same location and time has been made;

b. the designated area or an adjacent area has been reserved for an official University function or the designated area is no longer suitable for use due to a conflict with a nearby official University function;

c. the reservation or registration form is incomplete;

d. the request is exceeds more than fifteen days in a semester or is for more than five consecutive days;

Responsible Party: Dean of Students

b. the location does not safely accommodate the number of participants;

c. the number of individuals participating in or attending the activity creates unsafe conditions for vehicular or pedestrian traffic, parking, or blocks the ingress or egress to buildings or official university activities;

d. the space has been reserved for an official University function, has been reserved in accordance with this policy, or a reserved location is needed for an official University function; or

e. the activity creates a health or welfare hazard, such as interfering with fire, police or emergency services.

**Responsible Party:** Vice President for Student Affairs, Dean of Students or University Police Department

### 6. Distribution of Literature

Students, employees and sponsoring organizations may distribute literature on campus grounds. Sponsored guests may distribute literature only in the designated area reserved for their use. Otherwise, literature may be distributed in accordance with University policy 10.13.

Students, employees, sponsoring organizations and sponsored guests who distribute literature should be considerate about collecting any litter that may be generated as a consequence of their distributions and are expected to collect literature that is left over or that is on the ground in the area in which it is distributed.

Literature distributed under this policy by a student, employee, sponsoring organization, or sponsored guest that contains the name “University of North Texas” or “UNT” in its name or that contains any reference to being affiliated with the University, must include the statement that the literature is not official university literature and does not represent the views or official position of the University.

Sponsored guests may set up exhibits only in accordance with this policy and University policy 8.3.

Exception to the dimension regulations shall be granted by the Dean of Students upon a showing by the individual or organization seeking the exception that the exhibit will not present a safety hazard and will not interfere with pedestrian or vehicular traffic. Proof that the individual or organization has insurance to cover injury or damage to persons or property is not grounds for an exception to the dimension regulations.

Responsible Party: Dean of Students
